Subject: CD7 Constituents Concerns - Increased Homeless Encampments

Councilwoman Monica Rodriguez,
Along the stretch of Glenoaks Blvd. located in CD6, the same "Temporary NO STOPPING SIGNS" (7 AM to 4 PM) were also posted earlier this week for Thursday and Friday, just as were posted along the stretch of Glenoaks Blvd. in our neighborhood in your CD7 at the same time. The RVs, cars, trucks and trailers belonging to the homeless were forced to move from that area, just as the ones on the 10300, 10200, and 10100 blocks of Glenoaks Blvd. in your CD7. Surprisingly, those vehicles were moved on down to the 10600, 10500 and 10400 blocks of Glenoaks Blvd., Montague St., Branford St. and "other side streets" connecting to Glenoaks Blvd. in your CD7! Since my email to you yesterday, even more of those vehicles have lined the streets in our neighborhood. It appears that these homeless are being "forced" into and allowed to set up homeless encampments along the streets of our neighborhood.

SEE ATTACHED PHOTOS showing the stretch of Glenoaks Blvd. in CD6 where the homeless encampment had been located, showing the illegal dumping left behind of bulky items (wooden furniture, stacks of auto tires, auto seats, child car seats), numerous filled garbage bags, large painted wooden signs, piles of stuffed plastic bags, trash-filled grocery carts, cardboard boxes and loose trash left behind on the sidewalks, as well as in the street.

As you can see in several of these photos of this stretch of Glenoaks Blvd. in CD6 (only a few blocks from the stretch of Glenoaks Blvd. in our neighborhood in CD7) "RESTRICTED STREET PARKING SIGNS" have been posted for Towing Vehicles 22' Long or 7' High, with No Parking 2 AM to 6 AM. Moving the homeless from there this week must be the start of CD6 enforcing the "Street Parking Restrictions" to clean up CD6, which is what we have requested for our neighborhood in CD7. Please refer to my emails to you last year, in which we requested and continue to request the same signs be posted along the blocks of Glenoaks Blvd. in our neighborhood as well.

The moving of these homeless and their vehicles into our neighborhood, has made our streets and sidewalks even more unsanitary and unsafe. As our councilwoman, we would like to hear from you about your short-term, as well as long-term, plans to help alleviate the homeless situation, clean up our neighborhood streets and make them safer. May we hear from your office soon regarding this matter?
